

EDGE LANE SITE MENTAL HEALTHCARE FACILITIES LIVERPOOL, UK

Mental Healthcare Facilities

The Edge Lane/ Skelly Site is one of five sites chosen for mental healthcare development as part of the Mersey Care NHS Trust TIME Project. In parallel with the Walton Hospital Site it is the first one to be developed. Located east of Liverpool city centre the site is situated alongside Edge Lane, which is a major route into Liverpool; it is also adjacent to the Rathbone LSU. The new facilities will comprise of 75 beds in-patient and support accommodation, set in the context of local whole service system provision. The following services will be provided:

- Acute In-patient wards for Adult Mental Health Services
- Learning Disabilities
- Acute Day Services, Shared Activity/ Therapy Space
- Assessment Space
- Office accommodation for Crisis Resolution Home Treatment Team
- Learning and Educational Space
- Office and General Support Space

In March 2010 the Mersey Care NHS Trust Board signed-off the concept design so that the project can now be prepared for planning.
